PROJECTS

ANYROUTER

PYTHON · FASTAPI · AI

2026

- FastAPI gateway that unifies OpenAI, Anthropic, OpenRouter, and Ollama behind one endpoint with streaming, tool calling, and provider fallback.

Windows Kernel Driver

C++ · WINDOWS · RING 0

2026

- Windows kernel-mode driver that hooks the disk I/O stack and rewrites storage serial responses. Debugged a production crash to a null pointer in an IRP completion routine.

Workflow Agent

FASTAPI · SQLITE · AUTOMATION

2026

- FastAPI service that accepts uploads, extracts text from PDFs, classifies documents, and routes each one with a priority and confidence score.
